VOLUNTEER RECRUITMENT PROGRAM FRIENDS OF THE WETHERSFIELD LIBRARY

September 11, 2012

This evening program, from 7:00 to 9:00 p.m. was planned to attract volunteers from the Friends membership and the public. We served refreshments of punch and pastries (dessert). The room, which has only fluorescent lighting, was supplemented with standing lamps from a local business - with credit to them. Background music was provided by two high schoolers who did a superb job (we gave them remuneration, and they have since gotten other bookings).

A tri-fold on one table displayed the various Descriptions of Volunteer Opportunities (see enclosed), and on easels entertaining posters with comic strips enlarged - they referred to libraries and books, and a display of historic European Libraries.

Sixty people attended and socialized before the drawing for a Kindle, donated by the Farmington Bank. We answered questions about the volunteer opportunities and those about Friends' membership. We are now organizing volunteers and assigning some as "leaders" of the various functions.

Also attached is a form for organizing Programs. The intent is to get as many members involved as possible!

Carolyn Vallieres, Volunteer Coordinator
